***Just imagine  
living in your  
weekend***

A horizontal sequence of icons consisting of a house icon followed by four dots, then a tree icon followed by four dots, repeating this pattern five times.

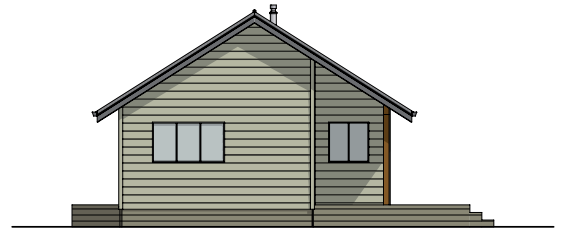

A basic series of 1-3 bedroom plans, the *weekend* series is all about classic bach living. These designs are popular for second dwellings, holiday accommodation or first homes. Get away as often as you can for a stay in your *weekend*. Enjoy the *naturally efficient* benefits of strength, durability and maintenance free living that an Intalok solid wood home provides.
